PENTEWAN VALLEY NEIGHBOURHOOD DEVELOPMENT PLAN - ESTATE AGENT SURVEY 2024

The community of Pentewan Valley Parish, supported by the Parish Council, is preparing a Neighbourhood Plan for its area. It will lay down some of the local Planning Policies for the period to 2030 and beyond and will cover the following villages with the rural area around them:

- London Apprentice
- Pentewan
- Tregorrick
- Higher Trehiddle

As you are an Agency active in this area, we would be very grateful to collect some information from you on the housing market in the Parish, and to hear your views on what the future may hold in terms of housing demand. This information would help us to plan ahead properly to meet housing needs up to 2030.

We know you will be busy, so to make things as easy as possible, we have loaded our quick enquiry form onto our website, so that you can easily reply online.

The link is here: <https://www.smartsurvey.co.uk/s/Y80MQ8/> or you can use this QR code on your smartphone:

A paper copy is also attached so you can see what is involved. It's fairly straightforward.

Please reply within the next couple of weeks if possible, but by the end of October 2024 at the latest.

Your response will be treated confidentially, and not published separately. We will use the information supplied to write an overview report in which individual responses will not be attributed.

If you have any queries, please email: admin@plansupport.services

Yours sincerely,

Steve Street

Chair of Pentewan Valley NDP Steering Group.
